

Need more than technology? We've got you covered.

Bizz Life Solutions Business Network Guide

ACCOUNTING & TAX SERVICES

by Sadiya Bhikhu
(CGMA, ACMA)

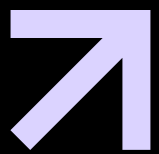

Get professional support with your accounting and tax obligations while keeping your financial records accurate and compliant.

Services

- Income Tax Returns — Personal & Business
- Provisional Tax Returns
- VAT Returns & Registrations
- PAYE Submissions
- UIF Submissions
- Monthly Management Accounts
- Annual Financial Statements
- CIPC Annual Returns
- New Company Registrations
- Retainer Packages

Why Work With Them?

Get professional support with your accounting and tax obligations while keeping your financial records accurate, organised and compliant. Whether you need help with your monthly accounts, tax submissions, VAT, payroll-related returns or annual financial requirements, you can access reliable support tailored to your personal or business needs. With ongoing retainer packages available, you can have the right financial processes managed consistently, giving you greater confidence in your numbers and more time to focus on running and growing your business.
